

# Partnerships in Action: towards “One Earth, One Family, One Future” G20 Interfaith Forum, May 7-9, New Delhi, India

---

## Guiding Questions for the Forum:

1. The underlying goal is greater recognition of the role of faith in addressing the crises of today and meaningful actor to strengthen priority partnerships, interfaith action, and creative initiatives.
2. What are the most meaningful areas where religious actors (leaders, those involved in development, humanitarian action, peacebuilding, and climate action) can contribute to the work of key policy makers and advance strategic issues and agendas?
3. Where and how can religious leaders from different countries and ethnic backgrounds influence global agendas with a united voice?
4. What mechanisms and networks best support religious actors as they work to address global issues and push forward innovative solutions on a global scale for evolving problems? Where can they learn from the innovations of others?
5. What valuable lessons from the G20 Interfaith Forum work in prior years can inspire others across the world in efforts to promote inclusion, address complex crises and lingering effects of the pandemic?
6. How can interfaith organizations take more substantial parts in global summits to advocate for action, along with public and private actors?
